Sixteen or More Rinks Are Expected To Compete In The Various Competitions

(By The Tribune's Correspondent)
WEMBLEY, Jan. 17.—The bonspiel committee is busy daily getting things lined up for the big bonspiel next week, beginning on Tuesday, January 24. Sixteen or more rinks, including those from the outside, are expected to share in the event.

There will be four competitions, viz., the Grand Challenge, Victoria, Merchants, and Consolation.

The bonspiel throughout will be carried on under Canadian rules, as for instance, substitutes will not be allowed to play on any team and each rink must be represented by no less than three players, otherwise the game is forfeited. Skips must attend the committee not later than the 21st as to the personnel of their rinks.

A good response in the way of prizes has been received and up to the present the following are donors: H. Krann, G. F. Nelson, H. H. Riggs, L. E. Purves, H. Dunbar, Mr. and Mrs. J. Storn, J. L. Kerr, J. Goyne, Bonspiel Committee, District of Peace River, T. Elton & Co., Imperial Tobacco Co. In addition to the prizes in the Grand Challenge will be a Rogers Cup. Mr. Rogers is also assisting the bonspiel committee in the way of a prize.

On Wednesday night the usual bonspiel banquet will be held.

Hugh Allen Speaks At Five Mile Creek School

FIVE-MILE CREEK.—There was a good attendance at the meeting held recently in the schoolhouse at Five Mile Creek, Alta., give a resume of the proceedings and the legislation passed at the last session of the legislature.

Mr. Allen said that the low prices were reflected in the non-payment of taxes. He doubted if there would ever come back to the price it was a few years ago.

After giving a brief survey of conditions, Mr. Allen said that one of the remedies might be the adjustment of the currency. Our present standard of currency, he observed, prohibited Canada trading with countries with a different standard.

While the M.L.A. was not speaking but he could see no improvement in conditions in the immediate future.

A hearty vote of thanks was then tendered Mr. Allen for his excellent address.

J. W. Sawyer occupied the chair.

A meeting to discuss the advisability of moving the school to a more central point was held on Saturday evening last.

There was a good turnout and a lively discussion took place. Finally a motion was put to move the school house. The motion was carried.

A motion was moved and carried to add another room to the schoolhouse to allow for the children of the school work, providing that the necessary funds could be obtained.

The general feeling was that the money could be found. If the room is built, it will necessitate the hiring of an extra teacher.

Catholic Women's Club Card Party And Play Prove Enjoyable

The card party and one-act comedy which followed, held the players against the wall. The women's club on Wednesday night, in the Elks' Hall, attracted a large crowd.

The following were the prize winners at cards: Ladies' first prize, Betty Enger, gentlemen's first prize, P. Alt; ladies' consolation, E. Hagan; gentlemen's consolation, Mr. Stauffer.

The skit, entitled "Hit! She's a Man," a side-splitting comedy, was particularly well acted, all the players acting their respective parts with a naturalness that bordered on the professional. The play was directed by Father McGuire and the performance was all the more remarkable considering that the play was gotten up in a week.

Briefly the plot of the play was that Uncle Robert (played by P. V. Craven), old scoundrel from Alaska, visited his nephews, who stared a welcome for him. They had some disagreement with their lady friends, and in order that Uncle Robert would not be overlooked, a boy friend was dressed up as a girl.

Uncle was tipped off in a rather clumsy way to the situation and, having some knowledge of women him, he made a good mouse to discover which were the men.

To make a long story short, when the music stopped, the men all jumped up onto the furniture while the ladies, armed with brooms and other weapons, charged the mouse. Which all went to prove that young people had a sense since Uncle Robert was a boy.

CABT Daisy Sanford, filling in at dinner—May Bayhan. Mrs. Turner, her best young man—Ar. Martin.

Jasper Colton, Sam's pal, a serious youth—Myrell Lefell. Philip Dawson, a would-be female impersonator, who sang "The Rose Tree." Mrs. J. Atwell, maid by the day—Mrs. John Hagan.

Christie Dalton, Dale's friend—Evelyn Hagan. Uncle Robert of Alaska—Pat Crocker. SCHOOL GYMNASIUM POPULAR AND ALL CLASSES WELL FILLED.

Patsy O'Brien and "Bud" Ward visited the school gymnasium on Wednesday evening last and demonstrated some spectacular holds.

The gymnasium is under the direction of D. E. MacLachlan, who teaches boxing and gymnastics, and Mr. Hazen, who teaches wrestling.

The gymnasium is proving very popular and the various classes are well filled.

P. J. Tooley to Run for Mayor; Mayor McMillan Noncommittal As to Whether or Not He Will Enter the Mayoralty Campaign

The Grande Prairie civic political pot is beginning to boil. Councilor P. J. Tooley has definitely announced that he is in the field for mayor.

Interviewed by The Tribune, Mayor McMillan is as yet undecided whether or not he intended to stand for election as non-committal. He did not deny any fact that he would or would not run.

However, Mayor McMillan was quite emphatic about what he considered the type of men who should be elected to the council. He stressed the phase of the situation, His Worship said.

"We had a good strong council last year and I think the town would be well advised to try and retain the service of the able councillors and to secure a good strong man to fill the vacancy left by P. J. Tooley, nominated for mayor."

"I think 1933 is going to be a year in which many different councillors must be faced which will require the very best brains and business ability available. It is to carry on successfully."

The Tribune representative: Mr. Tooley had the following to say: "It is my intention to stand for nomination for the position of mayor for the forthcoming term. I have been thinking of the problem that the town is facing and the extensively settled position of citizens and business men requesting me to run for the town council."

It was rumored that ex-Mayor Wm. Sharpe was considering running in the mayoralty race. The Tribune reporter, Mr. Sharpe said that the rumor was without foundation.

L. C. Porteous, whose term expires as a councillor, seen by The Tribune man, said that he was in the hands of the law.

GLASS LAKE SCHOOL DISTRICT IN GOOD FINANCIAL POSITION

The ratifiers of Glass Lake School District, 228, held their annual meeting on Saturday, January 14.

Mr. Fred Cox, secretary-treasurer, said he had read the financial statement for a number of years, but had not given time to read the statement as for the year 1932. He said that he had started the year with a balance of approximately \$250, but the tax collections for the year were some \$100 less than the year before, leaving the year just passed with a balance in the bank and did not owe a cent to anybody. In fact, Mr. Cox said, he had collected more taxes during the year just passed than any year since 1922, the year the first school was held, with the exception of 1927.

The large number of taxpayers present were delighted to hear this report and the board were congratulated on their fine showing for the year.

It is understood that J. E. Thomson may run. To The Tribune he said that he had no approach, but had not yet made up his mind. He believed by Mr. Thomson's friends that he can be induced to run.

"I have," he said, "been recently elected district supervisor for the Manufacturers Life Insurance Company, and I am busy with that."

Claimort Rink Wins Hugh Allen Cup From S. River

Last week-end Spirit River was the victor in the Hugh Allen Cup contest, and it was more than a friendly game, for it was a challenge for the Hugh Allen Cup, which has been loaned at Spirit River for a long while.

The challenging rink was skippered by the late Mr. J. W. McNeil, second, and Armstrong led.

The defending rink was skippered by Bill Knox, with Bill Arce third, B. Casne second, and Major Pitton fourth.

The rules of the Hugh Allen Cup call for 14-end games, and this was a 14-end game, the first to the last. It ended in a win for the Claimort rink by the close score of 11-6.

The Claimort rink curled well together, but "Steve" was not playing his best. The Spirit River rink had some opportunities, but had taken advantage of them. The Spirit River rink would have been better coordinated.

It is rumored that Hugh Allen was challenged by one of the Claimort rink, but whether there is any truth in it is not known.

Sixteenth followers of the "boom an' bang" will surely have a challenge. The Hugh Allen Cup is a challenge cup. At one time last year they held every cup in the north country.

Patsy O'Brien Draws with Kid Osborne

Patsy O'Brien arrived the other day from Fairview, where he fought Kid Osborne in a ten-round feature event on a card promoted by the Fairview Branch of the Canadian Legion and promoted by Jack Curragan. Notwithstanding that it was Friday and the fight was a draw, Patsy said he was not the worse of the battle.

Commenting on the fight, Patsy said that Osborne proved a case of the headbutters he had ever met and that he was a good fighter. Patsy said he was perfectly satisfied with the decision, adding that a man who has a second serving of Osborne's meat is nothing short of a hog.

The bill was a good one and attracted a good-sized crowd. Patsy had some very complimentary things to say about Curragan as a promoter. While in Fairview, Patsy took a turn at the "warrior" game.

Asked what he thought his chances were with Patsy, Patsy said and said that he was going in to do his best.

WORLD NEWS IN PICTURES AND ITEMS IN GENERAL

SCENE OF THE LATEST POLITICAL BATTLE

The whole of the Irish Free State is seething with the excitement of a general election, an election which came a little earlier than was expected. Ex-President Cosgrave is fighting for power and promises that he will enter into friendly relations with the Mother Country and "in three days" procure benefits for the farmers who have been hard hit by Britain's tariff. Eamon de Valera (lower right) maintains his stand on the annuities payments to Britain and is determined to make the Free State economically independent of the rest of the British Isles. He is waging a bitter campaign against the Cosgrave party, whom, he claims, is in collusion with the British government.

"ELECTRIC DOLLAR"

This is the man who recently advocated the adoption of electricity instead of gold as America's standard of value. He is Dr. John Pusey Norton, financial expert, of Buffalo, Conn. In urging that the United States use the "electric dollar," Dr. Norton asserted that the new standard would be absolutely stable. What a shock some people would get!

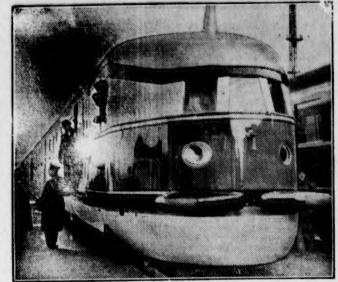

ANOTHER STAR

Here is Britain's newest gift to Hollywood—and a very nice gift too. If you ask us. She is Miss Heather Angel, London girl, who is scheduled to twinkle in the film flanagan, shown as she arrived in New York en route to the movie capital. Miss Angel has been signed by one of the major studios.

FASTIDIOUS TASTE IN TOBACCO CURBS ROAMING
With his arrest in New York while engaged in purchasing a supply of his favorite \$10-a-pound smoking mixture, another act has been written into the colorful saga of "Prince Michael Romanoff," who was born Harry Oergum, and brought up to be a troupe leader. Once more in the clutches of the United States police, he seems doomed to spend the rest of his life at sea, because no country wants him. During his eventful career he has served six months in jail for taking French leave on a French liner, and on another occasion roamed off Ellis Island and across to the Battery. The "Prince" is a likable chap with the manners of a Chesterfield and the easy nonchalance of a Romanoff he pretends to be.

FROM COUSIN JOHN TO UNCLE SAM

If you thought that the only gold remaining in the world is in France and the United States, take a look at this. These neat little boxes, shown being unloaded from the liner Mauretania into armored cars at New York, contain \$14,000,000 worth of gold bullion. It comes from the Mother Country and is part of the December payment of war debts from Great Britain. The gold was removed to the Federal Reserve Bank at New York.
